## Mission & Vision Statements

### Mission

To cultivate college-ready graduates in a safe, nurturing, and faith-based environment.

### Vision

To offer an exceptional K-12th college-preparatory education for the children in the northern region of EBR parish and surrounding parishes in a safe, nurturing, faith-based environment. Central Private supports our mission by maintaining high academic expectations, inspiring leadership through community service, and funding dedicated faculty & staff committed to excellence. Students are encouraged to pursue individual interests beyond the classroom so that they will excel as productive leaders of the community.

### The Redhawk Way

#### **The Redhawk Way**

##### **Redhawks are respectful**

*1 Peter 2:17 - "Respect everyone, and love the family of believers.  
Fear God, and respect the king."*

##### **Redhawks are responsible**

*Colossians 3:23 - "And whatever you do, do it heartily, as to the Lord and not to men."*

##### **Redhawks are safe**

*Psalms 37:3 - "Trust in the Lord and do good; dwell in the land and enjoy safe pasture."*

##### **Redhawks embrace integrity**

*Psalms 25:21 - "May integrity and honesty protect me, for I put my hope in you."*

##### **Redhawks pursue excellence**

*2 Corinthians 8:7 - "But since you excel in everything—in faith, in speech, in knowledge, in complete earnestness and in the love we have kindled in you - see that you also excel in this grace of giving."*

The Redhawk Way is the behavior expectation standard for our students and is a direct reflection of the mission of Central Private School. We believe our students deserve to be in a school environment in which their peers follow the Redhawk Way.

### Alma Mater

*'Neath the oaks and trailing moss  
There stands a place so fair.  
Central Private sons and daughters  
Long shall gather there  
Red and Gray, how we extol thee,  
Proud, strong, and free.  
'Naught shall ever dim our mem'ry:  
Faithful we will always be.*

## Fight Song

---

*CP Redhawks are the best,  
CPS will beat the rest,  
So come on Redhawk fans and team unite,  
And we will win tonight!*

## Statement of Faith

---

Central Private School is a non-denominational, faith-based school. We offer families the opportunity to have their children educated from a Christian worldview and nurtured in an environment that promotes prayer and daily devotion with God. While we do not require students to adhere to a certain faith, we do teach from the Bible. When properly integrated into a curriculum, we believe that the Bible provides the students with competencies which are vital to the process of coping in the world today.

*Central Private is dedicated to and operates according to the following statement of faith:*

- We believe the Bible is the inspired word of God and final authority in faith and life.
- We believe in the one God revealed in the Bible, who is manifested as the Father in creation, the Son in redemption, and the Holy Spirit in regeneration.
- We believe in loving the Lord with all our heart, soul, mind, and strength.
- We believe in a saving grace which compels us to love others as Christ so loved us.

This statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God, that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe.

## Introduction

The rules and policies for Central Private School outlined in this handbook are the material condition of a contractual agreement between the school and the student and his/her parents/guardians. The administrative team of Central Private School has tried to be as explicit as possible in its design, but during the academic year new and unusual circumstances may arise. The Administration has the authority to use discretion in making decisions regarding unforeseen circumstances, thereby, amending the student handbook for just cause. Parents and students will be given notice when such changes are made.

It shall be an express condition of enrollment that the students and parents/guardians of a student shall also conform to the standards of conduct that are consistent with the Christian principles of the school as determined by the school at its discretion. These principles include, but are not limited to, any policies, principles or procedures set forth in any student/parent handbook of Central Private School.

These Christian principles further include, but are not limited to, the following:

1. Parents/guardians are expected to work courteously and cooperatively with the school to assist the student in meeting the academic, moral and behavioral expectations of this school system.
2. Students and parents/guardians may respectfully express their concerns about the school operation and its personnel. However, they may not do so in a manner that is discourteous, scandalous, rumor driven, disruptive, threatening, hostile, or divisive. This includes disrespectful or negative posts on social media.
3. These expectations for students and parents/guardians include, but are not limited to, all school-sponsored programs and events (e.g., athletics, conventions, field trips, etc.)

The school reserves the right to determine if an action falls short of meeting the Christian principles of Central Private School. Failure to follow these principles will normally result in a verbal or written warning to the student and/or parent/guardian. Should questionable behavior continue, further actions will be taken (e.g., suspension of students, withdrawal of the student, or suspension of parent/guardian's privilege to come on the campus grounds and/or participate in school activities, volunteer work, etc.).

Acquisition of curriculum by students/parents other than what is provided by the school is detrimental to the educational process, and is prohibited by Central Private School.

Both the student and his/her parents must acknowledge that they have read and do understand the contractionary policies included in the Student and Parent Handbook and agree to be accountable for and supportive of the rules and regulations contained herein. An electronic signature will be required by both the student and his/her parents during the online enrollment process.

The handbook is on the school website and may be downloaded if desired.

### **NON-DISCRIMINATION STATEMENT**

Central Private School, Inc., seeks to accept students of any race, color, gender, national and ethnic origin and age, and does not discriminate on the basis of race, color, gender, national and ethnic origin.

## Academics

Central Private School offers a college preparatory curriculum that challenges students to excel in all grade levels. All subjects are taught from a Christian perspective. Central Private School uses a variety of resources carefully selected to provide students with a solid academic foundation and to develop their critical thinking, creativity and communication skills.

The pre-kindergarten curriculum is developmentally appropriate and incorporates hands-on activities and field trip experiences. Abeka materials are the primary resource used to teach phonetics, writing, and number skills. Students attend weekly enrichment classes which include physical education, art, music, computer, and library.

Kindergarten through third grade classes are self-contained. They primarily use Abeka materials to provide students with a strong phonics and math background. Hands-on activities and field trips are incorporated to enhance student learning. Core subjects include reading/phonics, language arts (spelling, grammar, and writing), math, science, and social studies. Students attend weekly enrichment classes which include physical education, art, music, computer, and library.

Fourth and fifth grade students transition from self-contained classrooms to departmentalization and all students are assigned lockers. The curriculum focuses on core subjects and uses Abeka materials along with other excellent resources. Hands-on activities and field trips are incorporated to enhance student learning. Core subjects include reading, language arts (spelling, grammar, and writing), math, science, and social studies. Students attend weekly enrichment classes which include physical education, art, music, computer, and library.

### ELECTRONIC GRADEBOOK

Central Private School uses an electronic grade book program called FACTS (formerly RenWeb) which teachers update on a regular basis. Parents/guardians can access such information on their own child using Family Portal (formerly ParentsWeb). Family Portal gives a parent/guardian access to their student(s) grades, attendance records, class assignments, and teachers' email addresses.

To activate your Family Portal account:

- Go to the school website, [www.centralprivate.org](http://www.centralprivate.org).
- Go to "Parent Resource" tab at the top of the page, select "Parent Portal" from the drop-down menu, and click on the "Parents Web Login" or click on the  icon at the top of the page. Both will take you to Family Portal Login.
- The District Code (CPS-LA) will automatically be displayed.
- Enter your Username. (Each person's email address is given upon school enrollment.)
- Password (Returning families use the same password used in previous years.)

**IF YOU ARE A NEW USER** or if you don't remember your password, click on the "Forgot Password" link. You will see a new screen that requires re-entering your email address and a button labeled "Reset Password." Follow the instructions to receive a password to the email address you provide.

### GRADING, EVALUATIONS AND STUDENT PROGRESS

Note: Kindergarten students do not receive grades for the first nine weeks. Beginning with the second nine weeks, students receive grades in phonics, numbers, and handwriting. A reading grade and a spelling grade are added for the third nine weeks.

**Progress Reports/Report Cards:** Progress Reports and Report Cards are posted/emailed at the midpoint and end of each nine week grading period.

**GRADING PERIOD DATES**

Grading periods are posted on the Family Portal (formerly ParentsWeb) calendar at the beginning of the school year.

**PROMOTIONS**

**K3/K4/Kindergarten**

K3/K4/Kindergarten student promotion will be based on cumulative student evaluations, readiness test, grades, and teacher recommendations which include observations of social, emotional, and physical maturity levels. Parents will be consulted if promotion is doubtful.

**Grades 1-5**

If a student has a failing grade in any two academic subjects at the end of the academic year, he/she will not be promoted to the next grade and will be retained.

For retention purposes, failing grades are determined by averaging the four 9-week percentages per academic subject. (i.e. An overall average of a 69% or lower for the entire year will result in failure of that academic subject) All parent concerns regarding placement for the following school year must be documented with Administration before the beginning of the 2025 re-enrollment period.

For students failing any core subject for one semester, summer remediation may be required.

**CONFERENCES**

Conferences are designed to strengthen the partnership between home and school so the student can be a successful learner. Annual parent-teacher conference days will be held each fall and spring. Additional conferences may be scheduled at any time during the school year by the parent, teacher, administrator, or counselor if concerns arise about a student's academic progression.

**Appointments** may be scheduled by emailing the teacher directly or through the Lower School's administrative office.

**CLASSROOM ACCOMMODATIONS**

Central Private does not support any evaluations/IEP/504 plan accommodations. Central Private School reserves the right to make the final determination if Central Private School will be able to effectively provide or meet the physical, academic, social, and emotional needs or services of a student.

**STANFORD ACHIEVEMENT TEST (SAT)**

All students in 3rd-5th grade are tested each spring using the Stanford Achievement Test 10 which compares our students with students on a national basis.

**AWARDS DAY**

The Awards Day program recognizes 1st – 5th grade students' achievements and academic excellence during the school year at an annual awards ceremony.

**ACADEMIC PROBATION**

Grades are evaluated at each nine-week term. Any student who has earned more than one failing grade at the end of a nine-week grading term is placed on academic probation until the following nine weeks grading term. A letter advising of the student's status will be mailed home. Students and parents must meet with the Administration and/or his/her designee following the probation letter to establish a plan for student achievement. The Administration and/or his/her designee may require the student to obtain tutoring. If goals are not achieved, the student may not be allowed to enroll at Central Private School the following school year.

**TUTORING**

Central Private School allows its faculty to tutor Central Private School students using Central Private School facilities and equipment during non-school hours. Non-school time is defined as those times that are outside of normal school hours. There is no tutoring between 7:00 a.m. - 3:00 p.m. Teachers are free to negotiate a rate with students and parents for this service during non-school hours.

In general, a teacher who has a student in the class that he/she is presently teaching should not be charging the student enrolled in their class for tutoring services as this practice could be construed as a conflict of interest. An exception to this rule could be made by the Administration if the teacher providing the tutoring is the only available qualified tutor as determined by the Administration. An example of this may be a foreign language teacher if that teacher is the only person available who is qualified to provide the tutoring service.

# Attendance

**Central Private School adheres to all Louisiana attendance laws including Louisiana State Department of Education Bulletin 741 for nonpublic schools. (Louisiana RS 17:226 and Bulletin 741 (Nonpublic))**

## **ABSENCES**

Regular attendance is required by Louisiana law and is necessary for good scholarship. All school days on the calendar are considered full days unless otherwise specified through notification or special events. Attendance at school becomes a permanent part of the student's record. We believe that regular attendance in class is essential to the success of a student's school experience. Louisiana State Law requires a student must be in attendance a minimum number of minutes in order to receive passing credit according to non-public Bulletin 741. A student who misses more than ten (10) class periods of the same subject during a semester is not eligible to receive passing credit in that class regardless of whether the absences are excused or unexcused. Only extenuating circumstances of the most serious nature will be considered in waiving the State Law. An "Extenuating Circumstance" is not a doctor's visit, chronic illness, out-of-town trip for personal family business, suspension, or pre-arranged absence, and will be determined by the administration.

## **ABSENCES FOR EXTRA-CURRICULAR ACTIVITIES**

The school policy concerning student participation in extracurricular activities (i.e. athletics, spirit groups, etc.) requires attendance in four class periods on the day of participation. Extenuating circumstances must be approved by the division head and it is the responsibility of the student to seek this permission.

## **PROCEDURES AND POLICIES CONCERNING ABSENCES**

1. A parent should notify the school office by 8:00 a.m. when a student is absent by phone, email or the online absence request.
2. Immediately upon return to school following an absence, the student must always submit a note stating the specific dates of absence and the reason for the absence. The administration will determine if the reason is excused or unexcused.
3. Central Private School will accept two (2) parent notes per semester for sickness/illness. However, if the student is absent for more than two (2) days, a doctor's note must be turned in to medically excuse the absence.
4. Students should report to the office upon return to school from an absence with an appropriate note or documentation. There is no separate accounting of excused or unexcused absences for the purpose of determining whether a student has reached the threshold number of ten (10) absences per semester.
5. Central Private School Testing Policy prohibits taking any tests early for any type of absence with the exception of school-related absences. This includes quizzes, tests, or other major forms of assessment.

In the event of an absence, to receive credit for missed work and for the absence to be considered medically excused, the note must be written by a doctor currently treating the student for the illness indicated on the absence and who specializes in the appropriate area. A parent may also provide a hand-written note (a maximum of 2 parent notes per semester) for illnesses.

If the absence is unexcused, the student will receive 50% off the earned grade. An excused absence allows the student to receive full credit on assignments missed during an absence.

## **ACCEPTABLE EXCUSED ABSENCES**

- Personal Illness: excused by a doctor's note and/or parent's note. Please note that students are allowed only two (2) parent handwritten notes per semester for illnesses only.
- Quarantine in the home.
- Death of an immediate family member.
- Scheduled for a doctor's/dentist appointment. Parents should schedule appointments after school hours if possible. All doctor, dentist, and parent notes should be turned into the office within 24 hours (or one day) from the time the student returns to school to change the absence from unexcused to excused.
- School Related Absences such as field trips, extracurricular functions, Central Private School class retreats, and school counseling appointments during school time will not count or accumulate as an "absence".

## **EXCESSIVE ABSENCES**

Attendance will be taken during each class period. A student may be in jeopardy of failing a class if they have more than 10 absences per semester (which includes excused, medical excused or unexcused absences). This policy is in alignment with the Louisiana Bulletin

741. A student, who has accumulated more than ten (10) absences per semester due to prolonged illness or other similar long-term reasons will need to have medical documentation to support these absences. These absences will then be reviewed by the Administration for determining approval. Any student that exceeds 10 absences in any semester will be reviewed by the administration and consequences may apply.

#### **ADMINISTRATIVE REVIEW FOR EXCESSIVE ABSENCES**

A student who has ten (10) or more absences per semester or twenty (20) or more absences for the school year may present documentation to the Administration for consideration for a waiver. The administrative review of a student's absences will occur under the following circumstances:

- A licensed physician shall document absences for extended illnesses or hospitalization with a certification of illness for the specific days of absence.
- Chronic illness requires an annual verification by a licensed physician. The Administration shall review the documentation, render a decision to waive the absences, and notify the student, parent(s), and teacher(s). If proper documentation is not presented, and the student exceeds 10 days for a semester/20 days for the school year, a student may be in jeopardy of failing that class.

**IMPORTANT: A student must be fever, vomit and/or diarrhea free for a minimum of 24 hours before returning to school. A student who is diagnosed with a contagious illness or condition must be cleared by an official doctor's note to return to school.**

**NOTE: K3, K4 and Kindergarten students – Excess absences (more than 20) could hinder a student's mastery of the necessary skills for promotion. Attendance will be included in the final assessment for promotion.**

#### **TARDY**

Promptness and regular attendance are necessary for academic success at Central Private School. Teachers and students have the right not to have instruction time interrupted by students who are tardy to school.

- Students not in their classroom by 7:35 a.m are considered tardy. **Parents/guardians must accompany the student to the Lower School administrative office to sign in and obtain admit slip.** All students must have an admit slip before entering the classroom.
- Excused tardies will include doctor/dental visits, illness and traffic conditions that cause many students to arrive at school late. All other tardies will be considered unexcused.
- All tardies are counted against a student's attendance record. To receive perfect attendance, a student must be in attendance from the first morning bell until the afternoon dismissal bell.
- The school administration will be the final authority in determining whether tardiness is excused or unexcused.

#### **Excessive Tardies**

- Each Lower School student (PK3 – 5 grade) is allowed three tardies in each nine-week term. Upon every fourth tardy in a nine-week term, the student will receive an unexcused absence.
- Upon the eighth tardy in a nine-week term, parents will be contacted by the Administration and/or his/her designee.
- If excessive tardies continue after parents are contacted, a parent conference, or other consequences, as determined by the Administration, will result.

#### **CHECKING IN AND OUT OF SCHOOL**

Regular attendance is necessary for academic success at Central Private School. Teachers and students have the right to not have instruction time interrupted by students who excessively check in or check out of school. Check-in or check-out are excused in the same manner as absences. The Administration and/or his/her designee will be the final authority in determining whether late check-ins are excused or unexcused. A student must be present for at least 4 hours to not receive an absence for the day. All check-ins/check-outs are counted against a student's attendance record.

#### **Check-Ins**

Students arriving at school after 7:35 a.m. are considered late. **Parents/guardians must accompany the student to the Lower School administrative office** to sign in and obtain an admit slip.

- Students must have an admit slip before entering the classroom.
- An explanatory note for the late check-in from the parent/guardian or doctor/dentist is necessary. Notes are required even if the parent is present or has called the office.
- Students who check in late on the day of a previously scheduled test or assignment will take the test or submit the work due immediately after checking in and before attending the remaining classes of the day.

#### **Check-Outs**

**Parents/guardians are not allowed to go directly to the classroom to retrieve their children.** The procedures outlined below are for the child's protection and safety:

- The parent/guardian must sign a check-out form in the Lower School administrative office.
- Students will be picked up from the Lower School administrative office.
- If someone other than the parent/guardian has permission to pick up the student, the school office personnel must be notified, preferably in writing, prior to the student's release.

- Teachers will not release students unless this procedure is followed.
- Students who leave early are responsible for all work missed.

#### **Excessive Check-ins or Check-outs**

- PK3 – 5 grade students are allowed three check-ins or check-outs in each nine-week term.
- Upon the fourth check-in/check-out in a nine-week term, a conference with the parents and Administration and/or his/her designee will be held.
- If excessive check-ins/check-outs continue after the conference, assigned absence(s) or other consequences as determined by the administration will result.

#### **Field Trips**

Field trips are provided for teaching and learning experiences; therefore, students are expected to attend. Field trip attendance is limited to the students enrolled in the class, the teacher of the class, and the number of parent chaperones required by the teacher. NO siblings are allowed to attend. If additional parents wish to attend and accompany the class in their own transportation, they must obtain permission from the teacher to avoid violating restrictions placed by the site being visited. Failure to honor this request may result in the school being denied access to the site in the future.

Transportation to and from the field trip site will be provided by the school. All students attending the field trip must use the transportation to and from the destination. Approved chaperones may ride the provided transportation. Parents and students must adhere to the teacher's specific field trip procedures.

Pre-K3 and Pre-K4 will not be provided official school transportation; however, they are required to check into their homeroom in order to be considered present, and to participate in the field trip activities.

#### **MAKE-UP WORK**

When a student is absent, he/she may access homework assignments from FACTS. For extended absences, parents may call the respective office and request to pick up schoolwork. Make-up work for full credit is permitted only for excused absences. For excused absences students have one (1) day for each day missed to make-up all work and tests. Make-up work for unexcused absences is at the discretion of the teacher.

Immediately upon return from an absence, the student must make arrangements with the instructors to complete missed assignments/tests.

#### **PERFECT ATTENDANCE**

Perfect attendance is an award given only to those students who attend school every day from the beginning until the close of the scheduled school day. The only exceptions will be the student's involvement in school- approved activities, or a death in the immediate family.

Tardies and early check outs (excused or unexcused) are counted against the student's attendance record. In-School-Suspension is not considered an absence from the school campus.

#### **TRUANCY**

No student may miss a class, part of a class, or leave campus without permission from the classroom instructor and prior acknowledgement from the Lower School administrative office. Students must have parental permission and appropriately sign out in their respective office. A student who is inappropriately missing from class, part of a class, or leaves the premises without permission is considered in violation of school policy. In addition, any student with excessive or unexcused absences is also in violation of school policy. The parent/guardian will be notified, and disciplinary action will be taken.

## Dress Code

The purpose of the dress code is to encourage students to dress decently and be a positive representative of themselves and their home, as well as Central Private School. The uniform also provides a safety factor for our students and will not allow strangers to come onto our campus unnoticed.

# Discipline

## Central Private School Philosophy

For learning to take place we must maintain an environment which is conducive for learning. Our goal is for our students to develop self-discipline. When our students do not exercise self-discipline, violate school rules and policies and/or disrupt the education of others, the Administration and/or his/her designee will address the infraction on an individual basis according to his/her discretion.

## GUIDELINES

The discipline program established at Central Private School has as its objectives:

- To establish and maintain favorable study conditions free from distraction and misbehavior.
- To establish and maintain respect for authority within the school.
- To develop, on the part of the student, ideals, interests, habits and skills that make for self-government and good citizenship.

All students must show respect for all members of the Central Private School administration, staff, faculty, aides, and substitute teachers at all times. Acts of disrespect will not be tolerated.

All students are to conduct themselves in an appropriate manner at all school-sponsored activities (home and/or away functions). Failure to do so will result in the student losing his/her privilege to attend such functions. Any student who starts or participates in any unauthorized disruption or disorderly protest will be suspended from school immediately.

All discipline decisions will be handled by the Administration and/or his/her designee.

## LOWER SCHOOL INFRACTIONS AND CONSEQUENCES

After a student receives three (3) detentions, a conference will be scheduled with the parents. Suspensions will be given after the 3rd detention.

Detention will be held on campus. Detention may be held during recess, activity class, before/after school, or on Saturday morning. Parents will be contacted when a student is assigned detention. Students assigned detention receive a form to be signed by the parent and returned to school the following day informing the parent(s) why, when, and where the student has detention. Any student who is assigned a detention must be present for the entire time. Any student who is late to or absent from detention will be suspended beginning on the next possible school day. A student can also be suspended for failure to comply with the rules of participation and conduct during detention.

In the process of serving a detention, the detention supervisor may require the student to engage in work related tasks that may include janitorial duties.

A detention may be excused by the Administration and/or his/her designee only in case of extreme family emergency or for sickness documented with a physician's note but must be rescheduled.

In the event of a suspension, an immediate email notification will be sent to the parents informing them of the incident. Students who are suspended out-of-school must serve the suspension within 48 hours of receiving the take-home copy of the suspension assignment. A student who is suspended out-of-school for more than one (1) day must be accompanied by a parent/guardian upon his/her return and participate in a conference with the Administration and/or his/her designee.

### **Criteria for Selection of Homecoming First Legacy Pages**

- One (1) boy and one (1) girl will be selected as First Legacy Pages. Each child with the most parents (step), grandparents (step) and great grandparents (step) who graduated from Central Private School will be selected.
- In cases of multiple siblings in kindergarten with the most parents/grandparents, all siblings from the same household will be allowed to be Legacy Pages.

Lockers should be kept neat and free from trash or partially consumed food at all times. At no time should any personal items—backpacks, jackets, books, etc.—be on the hall floor. NO rolling backpacks are allowed.

### **READINESS POLICY (PreKindergarten)**

Central Private School's K3 and K4 classes are designed to prepare students for kindergarten. To ensure a student receives the benefits of this preparation and has a positive experience at Central Private, the K3/K4 student must be ready to function in a school setting. A child is ready to attend Central Private if he/she can:

- Follow verbal directions
- Sit for 10 minutes, for 3-year olds, or for 15 minutes, for 4-year olds, for a class activity

- Parents should keep office visits brief. Office personnel handle confidential documents, conversations, and phone calls. Loitering interferes with daily business affairs that take place in the office. For confidentiality purposes, an extended visit with the office personnel is prohibited.

### **PARENT USE OF SOCIAL MEDIA**

Parents are asked to set a good example for students when accessing and using social media. Engagement in social media including but not limited to Facebook, Twitter, Instagram, GroupMe, etc., may result in disciplinary action and/or dismissal if the content of the student or parent's post includes defamatory comments regarding the school, the faculty or other students.

Parents or guardians should make complaints through official school channels rather than posting complaints on social networking sites. Parents and guardians are to immediately bring any social media policy violations or concerns to school officials. Responding in kind to negative communications through social media channels merely perpetuates divisiveness. School officials will not mediate social media issues between parents or students unless it directly affects the school.

The school considers the following examples to be inappropriate uses of social media sites (This list is non-exhaustive and intended to provide examples only):

- Making allegations about staff or students at Central Private School
- Making complaints about the school or staff at the school
- Making defamatory statements about the school or staff at the school
- Posting negative/offensive comments about specific students/staff at the school.

Once a post is brought to the attention of the Administration or his/her designee and meets one or more of the criteria set forth, the Administration will contact the originator. A request will be made to retract the statement. Refusal to do so will lead to appropriate

measures being taken, up to and including dismissal from Central Private School.

The Student Transcript System collects detailed transcript data for students in 8th through 12th grade who have taken any courses for credit. Each student’s entire high school transcript is submitted including all transfer credits. The purpose is in determining how students are tracking toward graduation requirements in a transcript year. Selections are made for the entire academic school year.
- Once a course selection form has been completed by the student, changes may be made during the week before school starts with a parent signed permission slip only. Dates for grade specific days to make changes will be made available on FACTS (formerly RenWeb) calendar.
- The minimum number of classes taken per year in 6th- 11th grade is seven. Students in 12th grade beginning in the 2023-2024 School Year are required to schedule a minimum of five classes, but are not guaranteed to have all classes before lunch.

### ELECTRONIC GRADEBOOK

Central Private School uses an electronic grade book program called FACTS (formerly RenWeb) which teachers update on a regular basis. Parents/guardians can access such information on their own child using Family Portal (formerly ParentsWeb). Family Portal gives a parent/guardian access to their student(s) grades, attendance records, class assignments, and teachers’ email addresses.

To activate your Family Portal account:

- Go to the school website, [www.centralprivate.org](http://www.centralprivate.org).
- Go to the “Parent Resource” tab at the top of the page, select “Parent Portal” from the drop-down menu, and click on the

- “Parents Web Login” or click on the icon at the top of the page. Both will take you to Family Portal Login.
- The District Code (Central Private School-LA) will automatically be displayed.
- Enter your Username. (Each person’s email address is given upon school enrollment.)
- Password = the same password you used last year

IF YOU ARE A NEW USER or if you don’t remember your password, click on the “Forgot Password” link. You will see a new screen that requires re-entering your email address and a button labeled “Reset Password.” Follow the instructions to receive a password to the email address you provide.

**GRADING AND STUDENT PROGRESS**

Grading periods for Lower School, Middle School and Upper School are posted on the Family Portal calendar at the beginning of the school year. Please refer to the calendar for specific dates on 9 weeks progress reports and report card dates.

**Progress Reports:** Grades are posted and updated weekly through FACTS (formerly RenWeb). Both parents and students are encouraged to check these reports often. Progress Reports are issued/posted at the midpoint of each semester and dates can be found on the school calendar on our website.

**Report Cards:** Report Cards are emailed at the end of each semester. This is an official grade report which may be kept for your records. No paper copies will be issued.

**The grading scale at Central Private School is:**

<u>Letter Grade</u>	<u>Percent Range</u>	<u>Quality Point</u>	<u>Explanation</u>
A	100-93	4	Excellence and mastery of subject
B	92-85	3	Above average achievement
C	84-77	2	Average achievement
D	76-70	1	Below average achievement
F	69-0	0	Indicates failure (0 credit)

Grades are determined by using points to evaluate all work. These points are then converted to percentages by the following formula:

Points Earned divided by Points Possible equals Percentage Grade

$$\frac{\text{Points Earned}}{\text{Points Possible}} = \% \text{ Percentage Grade}$$

Examples:      80/100 = 80%                      75/75 = 100%                      50/60 = 83%                      38/40 = 95%

**GRADE POINT AVERAGE**

The cumulative Grade Point Average (GPA) is determined by semester letter grades. The result is the student’s Grade Point Average. To calculate a GPA, add up the quality points according to the letter grade a student has currently earned then divide by the number of credits.

<b>For example:</b>		
Algebra I	B	3 QP
Art I	A	4 QP
English I	A	4 QP
Health & PE I	A	4 QP
Physical Science	A	4 QP
Spanish I	C	2 QP
World Geography	B	3 QP

$$\frac{\text{Total Quality Points} = 24}{\text{\# of credits} = 7} = 3.4 \text{ GPA}$$

NOTE: Students who receive a passing grade (P) in a course will receive credit; however, it is not calculated towards his or her GPA.

## GRADE CLASSIFICATION

Students must earn the required number of credits to be considered enrolled in the following grade levels:

<u>Grade</u>	<u>Credits</u>
9	0-4.5
10	5-9.5
11	10-15.5
12	16 or more

## HONOR ROLL

Honor Roll recipients (6th-12th) are determined using the grades from the end of the 1st semester AND the grades from the 4th nine weeks at the point no further grades are taken for the nine weeks. Students with a GPA of 4.0 (all A's) will qualify for the "A" Honor Roll. Students with a GPA of 3.0 to 3.9 (A's/B's) will qualify for the "A/B" Honor Roll. Students with a "C" grade in any class are not eligible for honor roll recognition. Honor Roll recognition is given at our annual award's day program. The cut-off date for calculation of grades will be the Friday before Award's Day.

## ACADEMIC ELIGIBILITY

### Academic Letter Jacket

- An academic letter jacket may be earned by any student in the 10th through 12th grades who has earned a 3.5 GPA each semester for three (3) consecutive semesters while attending Central Private School.
- An additional three (3) consecutive semesters of at least a 3.5 GPA will earn the student an academic scholar patch to be affixed to the jacket.
- A graduating senior must have met the above eligibility prior to the start of the fourth nine-week period. A scholar-athlete who has already earned an athletic letter jacket will receive an academic scholar patch in lieu of an academic jacket.
- Academic Letters and/or Academic Letter Jackets will be purchased by the student.
- For athletic letter jacket eligibility, see "Athletics" section of this Handbook.

## FAILURES

### Grades 6-8

*Middle School Enrichment classes will receive a "P" or "F" (passing/failing grade). This grade will be excluded from consideration for Honor Roll or academic/athletic probation.*

The Central Private Pupil Progression Plan requires a parent to attend a MINIMUM of three Parent/Teacher conferences during any one school year for those students whose promotion is in jeopardy.

To receive credit for a course:

- Students must earn a semester grade of 70 or above to receive middle school credit for the course.

Recommendation for retention:

- For retention purposes, failing grades are determined by averaging the two semester percentages per academic subject. (i.e. An overall average of a 69% or lower for the entire year will result in failure of that academic subject) All parent concerns regarding placement for the following school year must be documented with Administration before the beginning of the 2025 re-enrollment period.
- For students failing any core subject for one semester, summer remediation may be required.

Those students who are in jeopardy of not being promoted will be notified in writing, and an academic plan will be put in place.

### Grades 9-12

If a student's final grade is an "F" at the end of a semester for a course required for graduation, the student is required to adhere to a credit recovery plan developed and approved by the Administration. Any failure will be included in the student's GPA.

**NOTE:** Credit recovery is considered an additional semester and the grades DO NOT cancel or replace an "F" earned during the regular school year. Both the "F" and the passing grade are included in the GPA and appear on the student's transcript. No class may be repeated where a student has received a "C" or higher grade.

## ACADEMIC PROBATION

The academic/activity standard is: **2.0 GPA and/or no more than one (1) F.**

Grades are evaluated at each nine-week period. Any student who falls below a 2.0 GPA and/or has earned more than one failing grade at the end of a nine-week grading period is placed on academic probation until the following nine week grading period. A letter advising of the student's status will be mailed home. Students and parents must meet with the Administration and/or his/her designee following the probation letter to establish a plan for student achievement. The Administration and/or his/her designee may assign the student for tutoring. If goals are not achieved, the student may not be allowed to enroll at Central Private the following school year.

## **EXAMS (6th-12th)**

Exam days are listed on the school calendar and are available from the beginning of a school year. Parents/students should consult the exam schedule before making holiday or summer break plans. Exams are to be taken at the scheduled time. Emergency situations regarding exams are to be brought to the attention of the administration. Rescheduling of exams will be subject to the approval of the Administration and/or his/her designee and teacher of course.

Exams are kept available for two (2) weeks after the semester's end. Any questions concerning the exam or final grade should be addressed within that time.

**All financial obligations must be current, including library fines and cafeteria accounts, and all library books returned before a student will be allowed to receive semester exam grades or semester report cards.**

## **EXAM EXEMPTIONS (6th-12th)**

Students in grades 6th-12th who have maintained an "A" average, per semester, in a class, and have no at-home suspensions for the year, may be exempt from their final exams only (midterm exams must be taken by all students for all full-year classes). Class Exemption Policies will be determined by teachers and approved by the Administration and/or his/her designee, and communicated to parents and students at the beginning of the year.

## **DUAL ENROLLMENT**

Dual Enrollment courses - For 11th and 12th grade students who meet the following:

- Louisiana Board of Regents' ACT criteria for dual enrollment.
- A requirement of 3.0 or higher GPA.
- Obtain the prerequisite teacher's recommendation.

No student will be permitted to take more than two dual enrollment courses per semester.

NOTE: The cost of the course/materials/laptop for the course is the responsibility of the student.

## **HONORS GRADUATE PROGRAM**

For a student to successfully complete the Honors Graduate Program and to be considered an Honors Graduate, a student must complete ALL of the following:

- Successfully complete all graduation requirements as set forth by the Louisiana State University curriculum from the Louisiana Department of Education
- Earn a final cumulative grade point average of 3.5 or higher
- No semester grade lower than a "C" in any course. Beginning with the graduating class of 2028, an Honors Graduate may not have any semester grade lower than a "B".
- Completion of at least 8 Honors core courses from the following:
  - ENGLISH
  - MATHEMATICS
  - SCIENCE
  - SOCIAL STUDIES

Honors courses will be available in certain subjects. Honors courses will be graded on the following weighted quality point grading scale: A=5, B=4, C=3, D=2, F=0.

*(Non-honors classes shall use the following non-weighted grading scale: A=4, B=3, C=2, D=1, F=0.)*

Other considerations: In the event Central Private School offers Advanced Placement/Dual Enrollment courses, these courses will be considered Honors courses and will count towards a student earning Honors course credit.

The Administration and/or his/her designee may add courses to, or remove courses from, the Honors Program. Any addition or removal of a course must be announced, but credit will not be taken from students who completed courses that were considered honors classes at the time the students were enrolled. Once a student receives honors credit for a certain course, the honors credit remains even if the course is later removed from the Honors Program. Please refer to the current Course Catalog for information regarding our traditional and honors track courses.

## **ADDITIONAL GPA/CREDIT INFORMATION**

Select Upper School courses may be offered at the 8<sup>th</sup> grade level. These classes will count toward the cumulative Upper School GPA. A student's Upper School GPA is established at the end of the first semester of 9th grade.

A student must receive permission from the administration to pursue credit from any outside source, including correspondence school, summer school, or online coursework. Courses completed online or through correspondence shall be considered non-weighted and shall use the non-honors grading point scale.

## **MAKE-UP WORK/TESTS**

When a student misses class/school, he/she may access homework assignments from Family Portal (formerly ParentsWeb). For extended absences, parents may call the respective office and request to pick up school work. Make-up work for full credit is permitted

for excused absences. Immediately upon return from an absence, the student must arrange with the instructors to complete the work. For excused absences students have one (1) day for each day missed to make-up all work and tests. If an absence is unexcused, the student will receive 50% off the earned grade. Additional time may be allowed for extended absences. Make-up tests will be administered in the Library at 7:00 a.m. each day. It is the student's responsibility to schedule the make-up test with their teacher.

## **TUTORING**

Central Private allows its faculty to tutor Central Private School students using Central Private School facilities and equipment during non-school hours. Non-school time is defined as those times that include before school, after school, during the summer, etc. A preparation period is considered part of a teacher's day and therefore paid tutoring would be prohibited during a preparation period or between the expected hours of employment as stated in the handbook, i.e. 7:00 a.m. until 3:10 p.m. Teachers are free to negotiate a rate with students and parents for this service during off-school hours.

In general, a teacher who has a student in the class that he/she is presently teaching should not be charging the student enrolled in the tutor's class for tutoring services as this practice could be construed as a conflict of interest. An exception to this rule could be made by the Administration and/or his/her designee if the teacher providing the tutoring is the only available qualified tutor as determined by the administration. An example of this may be a foreign language teacher if that teacher is the only person available who is qualified to provide the said tutoring service.

# Seniors & Graduation

## SENIOR FINAL EXAMS

Senior final exams will be given during regularly scheduled class times. Seniors will report to school for exams only and will be expected to leave campus immediately thereafter. During exams, seniors do not have to follow established check out procedures. Seniors must wear their school uniforms during final exams.

In addition, no transcripts or other student records will be transmitted to educational institutions, prospective employers, or other third parties until all financial commitments have been settled at Central Private School.

For the classes of 2025, 2026, and 2027, honors credits transferred from 9th grade year will not be weighted as an honors credit for calculation of Valedictorian or Salutatorian. ## Student Affairs

### **SERVICES**

The mission of the Office of Student Affairs is to facilitate the growth and development of the student population in the areas of academic progress, college and career planning, and personal and social growth. Topics of discussion may include, but are not limited to: study skills, learning styles, learning disabilities, college and career prospects, communication, conflict resolution, and disciplinary issues,

A student must request an appointment with the counselor by a verbal or written request. Students must have the permission of their classroom teacher to Director of Student Affairs. An emergency situation (a student is a threat to himself/herself or someone else, personal crisis such as illness or death in the family) does not warrant a formal request. All students are encouraged to visit the counselor's office to discuss areas of concern. The counselor will meet with all students in the manner of individual sessions, small group sessions and/or classroom visits. The signing of the handbook acknowledgment form gives permission for the counselor to meet with a student as well as refer any student experiencing issues to counseling outside of the school setting.

### **PARENT/TEACHER CONFERENCES**

# Attendance

**Central Private School adheres to all Louisiana attendance laws including Louisiana State Department of Education Bulletin 741 for nonpublic schools. (Louisiana RS 17:226 and Bulletin 741 (Nonpublic))**

## **ABSENCES**

Regular attendance is required by Louisiana law and is necessary for good scholarship. All school days on the calendar are considered full days unless otherwise specified through notification or special events. Attendance at school becomes a permanent part of the student's record. We believe that regular attendance in class is essential to the success of a student's school experience. Louisiana State Law requires a student must be in attendance a minimum number of minutes in order to receive passing credit according to non-public Bulletin 741. A student who misses more than ten (10) class periods of the same subject during a semester is not eligible to receive passing credit in that class regardless of whether the absences are excused or unexcused. Only extenuating circumstances of the most serious nature will be considered in waiving the State Law. An "Extenuating Circumstance" is not a doctor's visit, chronic illness, out-of-town trip for personal family business, suspension, or pre-arranged absence, and will be determined by the administration.

## **ABSENCES FOR EXTRA-CURRICULAR ACTIVITIES**

The school policy concerning student participation in extracurricular activities (i.e. athletics, spirit groups, etc.) requires attendance in four class periods on the day of participation. Extenuating circumstances must be approved by the division head and it is the responsibility of the student to seek this permission.

## **PROCEDURES AND POLICIES CONCERNING ABSENCES**

1. A parent should notify the school office by 8:00 a.m. when a student is absent by phone, email or the online absence request.
2. Immediately upon return to school following an absence, the student must always submit a note stating the specific dates of absence and the reason for the absence. The administration will determine if the reason is excused or unexcused.
3. Central Private School will accept two (2) parent notes per semester for sickness/illness. However, if the student is absent for more than two (2) days, a doctor's note must be turned in to medically excuse the absence.
4. Students should report to the office upon return to school from an absence with an appropriate note or documentation. There is no separate accounting of excused or unexcused absences for the purpose of determining whether a student has reached the threshold number of ten (10) absences per semester.
5. Central Private School Testing Policy prohibits taking any tests early for any type of absence with the exception of school-related absences. This includes quizzes, tests, or other major forms of assessment.

In the event of an absence, to receive credit for missed work and for the absence to be considered medically excused, the note must be written by a doctor currently treating the student for the illness indicated on the absence and who specializes in the appropriate area. A parent may also provide a hand-written note (a maximum of 2 parent notes per semester) for illnesses.

If the absence is unexcused, the student will receive 50% off the earned grade. An excused absence allows the student to receive full credit on assignments missed during an absence.

## **ACCEPTABLE EXCUSED ABSENCES**

- Personal Illness: excused by a doctor's note and/or parent's note. Please note that students are allowed only two (2) parent handwritten notes per semester for illnesses only.
- Quarantine in the home.
- Death of an immediate family member.
- Scheduled for a doctor's/dentist appointment. Parents should schedule appointments after school hours if possible. All doctor, dentist, and parent notes should be turned into the office within 24 hours (or one day) from the time the student returns to school to change the absence from unexcused to excused.
- School Related Absences such as field trips, extracurricular functions, Central Private School class retreats, and school counseling appointments during school time will not count or accumulate as an "absence".
- College Visits: Juniors and seniors may use three (3) documented college visitation days per school year. Students must complete missed work per the make-up policy. Documentation by the college admissions office must be submitted upon return to school. College visits do not count against the total accumulated absences.

## **EXCESSIVE ABSENCES**

Attendance will be taken during each class period. A student may be in jeopardy of failing a class if they have more than 10 absences per semester (which includes excused, medical excused or unexcused absences). This policy is in alignment with the Louisiana Bulletin 741. A student, who has accumulated more than ten (10) absences per semester due to prolonged illness or other similar long-term reasons will need to have medical documentation to support these absences. These absences will then be reviewed by the Administration for determining approval. Any student that exceeds 10 absences in any semester will be reviewed by the administration and consequences may apply.

## **ADMINISTRATIVE REVIEW FOR EXCESSIVE ABSENCES**

A student who has ten (10) or more absences per semester or twenty (20) or more absences for the school year may present documentation to the Administration for consideration for a waiver. The administrative review of a student's absences will occur under the following circumstances:

- A licensed physician shall document absences for extended illnesses or hospitalization with a certification of illness for the specific days of absence.
- Chronic illness requires an annual verification by a licensed physician. The Administration shall review the documentation, render a decision to waive the absences, and notify the student, parent(s), and teacher(s). If proper documentation is not presented, and the student exceeds 10 days for a semester/20 days for the school year, a student may be in jeopardy of failing that class.

**IMPORTANT: A student must be fever, vomit and/or diarrhea free for a minimum of 24 hours before returning to school. A student who is diagnosed with a contagious illness or condition must be cleared by an official doctor's note to return to school.**

## **TARDY POLICY**

All tardies and early check-outs are counted against a student's attendance record. To receive perfect attendance, a student must be in attendance at the correct time, from the first morning bell until the afternoon dismissal bell. Excessive tardiness (4 or more per semester) to school will result in consequences to the student. Please refer to discipline guidelines for consequences for specific grades.

- A student is tardy to school if a US/MS student is not in class by 7:35 a.m. Students must report to the office to check in before going to class. Students will not be allowed in class without a check in slip from the office. Thirty minutes late means that the student is "absent" from the 1st hour which will have a direct effect on a student's receiving credit in that subject. When a student has missed ten (10) classes in any 1 subject, his/her "credit" in that subject is in jeopardy of being removed automatically for the semester in which the absences occur regardless of the grade.
- An explanatory note from the parent/guardian is necessary. The school administration will refer to state guidelines in determining whether tardiness is excused or unexcused.

## **Tardy to Class**

Students in grades 6-12 are allowed four (4) minutes between class periods. Students must report to class before the tardy bell rings at the start of each class period. Tardies to class are recorded by the teacher of each subject. Rarely will a tardy to class be excused by the teacher. Admit slips are not issued by the office for students who are tardy for class except when they are late arriving at school. Please see our Discipline policy in reference to excessive tardies.

## **CHECKING OUT OF SCHOOL**

- Once a student arrives on campus, even if it is before 7:30 A.M., he/she MUST sign out through the school office before leaving campus. Violating this procedure is a violation of the school's sign out procedure, and the student is subject to disciplinary action.
- Students who leave campus before the end of the school day must be signed out by a parent, guardian, or person authorized by the parent to do so.
- In effort to lessen class disruptions and make our classrooms more conducive to learning, the following procedure must be followed to check out a student in grades 6-12:
  - The student who needs to check out must report to the school office.
  - A call will be placed to the parent to obtain verbal permission for the student to check out.
  - Notes from the parent are not accepted as permission to check out.
  - Parents must call the Upper School office and give verbal permission for a student to check out for medical appointments.
  - Students may check out only between class periods, at break, or at lunch to minimize class disruptions.
  - Class work missed resulting in signing out is the student's responsibility.
  - Extra-curricular activity participants and athletic participants must attend school for at least four (4) periods on the day of the activity/event.

**PLEASE NOTE:** If medical appointments must be made during the school day, please schedule the checkout time to coincide with the period between classes, the student's break or lunch. Students will not be allowed to check out during a class period unless he/she is clearly ill, e.g. fever, vomiting, etc.

Any student who wishes to check-out, who must be picked up by a parent/guardian, must report to the main office to contact the parent. After reporting, the student must return to class and wait to be called back to the office when the parent/guardian arrives. If the student

does not return to class, the absence from class will be considered an unauthorized absence from class and the student will be subject to disciplinary action.

### **PERFECT ATTENDANCE**

Perfect attendance is an award given only to those students who attend school every day from the beginning until the close of the scheduled school day. The only exceptions will be the student's involvement in school- approved activities, or a death in the immediate family. Tardies and early check outs (excused or unexcused) are counted against the student's attendance record. In-School-Suspension is not considered an absence from the school campus.

### **TRUANCY**

No student may miss a class, part of a class, or leave campus without permission from the classroom instructor and prior acknowledgement from the main office. Students must have parental permission and appropriately sign out in their respective office. A student who is inappropriately missing from class, part of a class, or leaves the premises without permission is considered in violation of school policy. In addition, any student with excessive or unexcused absences is also in violation of school policy. The parent/guardian will be notified and disciplinary action will be taken.

### **FIELD TRIPS**

Field trips are provided for teaching and learning experiences; therefore, students are expected to attend. Field trip attendance is limited to the students enrolled in the class, the teacher of the class, and the number of parent chaperones required by the teacher. NO siblings are allowed to attend. If additional parents wish to attend and accompany the class in their own transportation, they must obtain permission from the teacher to avoid violating restrictions placed by the site being visited. Failure to honor this request may result in the school being denied access to the site in the future.

Transportation to and from the field trip site will be provided by the school. All students attending the field trip must use the transportation to and from the destination. Approved chaperones may ride the provided transportation. Parents and students must adhere to the teacher's specific field trip procedures.

## **DRESS CODE FOR APPROVED NON-UNIFORM OCCASIONS**

The primary guidelines to be followed for approved non-uniform occasions are cleanliness, neatness, modesty, and style. If the style of dress or the appearance is disruptive to the educational process or constitutes a clear threat to the safety and/or health of the student, it shall not be permitted at school.

On non-uniform occasions, uniforms do not have to be worn but all students are expected to be clean, neat, and to take reasonable pride in their appearance. Styles of dress that are extreme or test the limits of modesty are not allowed. Clothing that includes profanity, promotes the use of alcohol or tobacco, is derogatory to any class or category of people, or promotes political opinion is prohibited. Specific guidelines for approved non-uniform occasions include, but are not limited to, the following:

- Neat, clean clothes of a conventional, decent, modest style. Clothing or other articles bearing slogans or pictures promoting drugs, alcohol, tobacco, sex, profanity, obscenity, or any article that might cause disruption of the educational process are prohibited.
- Tank tops, spaghetti-strap, racer-back, backless clothing, or clothing that exposes the midsection or bare shoulder are not to be worn. Clothing with holes, tears, ravel, and patches are not to be worn.
- Shorts ARE NOT permitted unless they are Central Private School uniform shorts. Split skirts should appear to be skirts and extend to the knee or below.
- Shoes must be worn at all times. No flip-flops, slippers, sandals, clogs, mules, high wedge/heel shoes, or rubber boots of any kind can be worn. NOTE: Only athletic shoes are allowed to be worn on the gym floor.
- No sunglasses, hats, caps, knit hats or hoods may be worn during school hours. Accessories of any kind that are disruptive to the educational process are prohibited.
- Dress Code for club inductions, graduation, ring ceremony, senior breakfast, 8th Grade Awards, or other special events is as follows: No rompers, skirts/dresses must be no shorter than 3 inches above the knee, and no spaghetti straps. Boys should be dressed in dress pants and a collared shirt.

**In addition to the guidelines above, the following apply to specific occasions:**

### **Dollar Dress Days**

- Students may wear jeans (NO holes, tears, ravel, and/or patches) or uniform pants/shorts.

### **Spirit Dress Days**

- Students may wear jeans (NO holes, tears, ravel, and/or patches) or uniform pants/shorts with a spirit tee-shirt.
- Within the student sports's season, student athletes and spirit groups are allowed to wear their game day uniform.
- Out of student sport's athletic season, student athletes and spirit groups are allowed to wear their approved non-uniform team shirt.

### **Homecoming Week**

- Students may dress in the designated theme for the day OR they must be in daily uniform.
- The general grooming codes (Spirit Dress, Non-Uniform) are NOT set aside for Homecoming Week; however, some specific guidelines may be set aside for the day, such as hats, socks, or shoes, with the prior approval of the Administration.

**For an event not covered above, the dress code will be determined at the discretion of the activity sponsor and approved by the Administration and/or his/her designee.**

## **GROOMING CODE**

The school administration shall be the final interpreter of the grooming code and dress code, uniform and non-uniform.

A general guideline for both male and female students is that if the grooming is distracting, disruptive, or outlandish, it will be prohibited.

### **Hair**

- Hair shall be clean and neat at all times.
- Extreme haircuts, e.g. mohawks, carving, etc., and unnatural hair colors that are deemed outlandish, disruptive, or a distraction to the learning environment by the Administration and/or designee are not acceptable for males and females. Coloring or highlights are not allowed for males, as hair must be a student's natural color hair. Females are not permitted to shave their hair.
- Male students' hair must not be excessively long as determined by the Administration and/or designee (i.e., in general, hair must be above the collar in the back, above the eyebrows on the forehead, and not below the mid-ear on sides). The entire eye must be visible at all times when the hair is in a normal position without use of clips, bands, or other devices to hold hair in place. Upon receiving a written notice, a student will have 48 hours to bring hair into compliance.
- No facial hair is permitted. High school students are expected to be clean-shaven at all times. Male students who report to school unshaven will receive a disciplinary consequence.

### **Jewelry/Body Art**

- Male students are not permitted to wear earrings.

- Female students may wear earrings (must be conservative and appropriate) as long as they are not distracting.
- Other types of jewelry should be limited in size and quantity to avoid creating distraction or disruption.
- Body piercings (belly rings, tongue rings, nose rings, etc.) and body art tattoos must not be visible (must be covered) at any time on the Central Private School campus or at a school-sponsored function off-campus. Suspension or expulsion may result.

**DRESS CODE/GROOMING CODE VIOLATIONS**

Parents may be called to bring proper attire for most dress code violations. Disciplinary actions will be taken for repeated warnings.

**The Administration and/or his/her designee shall be the final interpreter of the dress code and grooming code.**

# Discipline

## **CENTRAL PRIVATE SCHOOL PHILOSOPHY**

The goal of Central Private School is to provide and maintain an outstanding school environment within the framework of our mission statement. Students who accept the privilege of attending Central Private School agree to the responsibility of appropriate behavior always and are expected to uphold the context of the mission statement both on and off the campus at all times. It must be a consistent lifestyle in practice. Because student's lifestyles reflect on the reputation of the school, as well as the home, Central Private School will not hesitate to assert discipline in areas where a student practices a lifestyle or engages in activities antagonistic to the policies, goals, and character of the School. Disciplinary action, including dismissal/expulsion, may be taken by the school regardless of where the event occurs. Standards of conduct and character extend to all activities, regardless if they are school related.

## **PARENT RESPONSIBILITY REGARDING BEHAVIOR**

Central Private School recognizes parental responsibility for student supervision, and expects parents to set standards of behavior consistent with the school's mission statement and Code of Conduct during non-school related events while under their direct supervision. Central Private School reserves the right to take appropriate disciplinary action in response to the misbehavior of its students on or off campus during school or non-school related events, especially in serious matters that violate the well-being of the school or public. Serious violations of this Code of Conduct may result in suspension or dismissal from the school.

## **PARENTAL SUPPORT**

A student whose parent(s)/guardian(s) and/or other family member demonstrates an uncooperative attitude with the school and/or a history of disagreement with the philosophy and the mission statement of the school or how the Administration and Staff carry out the day to day functions of the school may be dismissed from the school at the Head of Upper School's discretion.

## **GUIDELINES**

The discipline program established at Central Private School has as its objectives:

- To establish and maintain favorable study conditions free from distraction and misbehavior.
- To establish and maintain respect for authority within the school.
- To develop, on the part of the student, ideals, interests, habits and skills that make for self-government and good citizenship.

All students must show respect for all members of the Central Private School administration, staff, faculty, aides, and substitute teachers at all times. Acts of disrespect will not be tolerated.

## **CLASSROOM DISCIPLINE**

Each teacher at Central Private School adheres to a three-step in-classroom discipline plan. The following steps provide a guideline for most minor offenses. Certain behavior such as "disrespect" may cause the teachers to move beyond steps one and two and straight to an "Office Referral."

- 1st Offense: Verbal Warning/Implementation of Classroom Consequences
- 2nd Offense: Communication with parent through FACTS Behavior Profile and Email Dean of Students
- 3rd Offense: Office Referral for Willful Disobedience

## **DESCRIPTION OF LEVELS OF OFFENSES AND CONSEQUENCES MINOR OFFENSES**

- Talking in class
- Dress Code
- Classroom disruption
- Failure to show for detention
- Sleeping in class
- Gum Chewing
- Profanity
- Excessive Tardies

## **POSSIBLE CONSEQUENCES FOR MINOR OFFENSES**

- Lunch Detention
- Friday After School detention (2:45-4:00)
- Out-of-school suspension

## **MAJOR OFFENSES**

Major infractions or behavioral issues will be dealt with on a case-by-case basis. Our discipline policy is 24/7 on or off campus.

- Alcohol/Drug Possession and Use (including synthetic substances) -
  - Drinking alcohol or under the influence at school or during any school function may result in dismissal.
  - Any student who uses alcohol off campus will be subject to disciplinary action at the school. Any student that provides alcohol on or off campus may be subject to dismissal.
  - If a student has a party involving the use of alcohol, drugs, vaping paraphernalia, whether the parent and/or student has knowledge of these activities, the student will be held responsible for contributing to the delinquency of a juvenile.
  - The sale, purchase, possession, consumption, etc. of illegal drugs at any time (on or off campus) will result in expulsion and the necessary notification of proper authorities. All students and employees are subject to random drug tests. See procedures for testing for illegal substances.

- Tobacco/Vapes: The use of tobacco in any form or the use of vapes or any variation is forbidden.
- Fighting: Students who fight may be suspended or expelled.
- Threats: A threat is considered assault under LA Criminal Code R.S. 14:36. Any student making such a threat may be immediately suspended or expelled.
- Weapons: Bringing or threatening to bring a gun or other weapon to school is against Central Private School policy and is also a violation of state law (La. Revised Statute Title 14:95.2) In addition to immediate suspension or expulsion, the offending student may be subject to consequences as mandated by law.
- Cheating: Dishonesty or cheating on tests, quizzes or papers will result in a zero on the assignment involved. Students caught cheating at any level for a second time will be subject to further consequences.
- Vandalism: Any student caught vandalizing the school campus or intentionally defacing school property may be suspended or expelled.
- Theft: Incidents of theft, once proven, will result in suspension or expulsion.
- Skipping School: Students are not to leave campus without permission from the school office.

### **CONSEQUENCES FOR VIOLATIONS OF DISCIPLINE EXPECTATIONS**

An individual involved in repeated minor offenses will be considered for dismissal/expulsion, at the discretion of the School Administration. It is impossible to include all details of appropriate conduct in the Handbook. In general, a Central Private School student is to conduct him/herself in a Christ-like manner at all times. When a student's behavior falls outside the realm of what is generally expected, appropriate disciplinary action will be administered. It is our responsibility to ensure that our students live and learn together in a community that is built on respect, caring, and support for one another. Anything short of that cannot and will not be accepted.

### **DETENTION**

Administration will assign detention to Middle and Upper School students as needed in accordance with the discipline policy. Detention may be held at school during break, lunch, or after school. Any student who receives after school detention will be required to stay from 2:45 to 4:00 pm on Friday of the week of the office referral. Parents will be emailed immediately when a student is written up to serve detention. Any student who is assigned a detention must be present for the entire time. Any student who is late to or absent from detention will receive the next level of discipline beginning on the next possible detention day. A student can also be suspended for failure to comply with the rules of participation and conduct during detention. A detention may be excused by the Administration and/or his/her designee only in case of extreme family emergency or for sickness documented with a physician's note, but must be rescheduled. Detention takes precedence over all other activities.

Middle and Upper School students are given work to complete during detention. This may include written work and/or janitorial and maintenance tasks.

### **DISCIPLINARY PROBATION**

A student may be placed on disciplinary probation for a selected period of time for violating certain behavior policies. The student will have his or her behavior closely monitored during this time. The student's extracurricular privileges may be removed, and the student may not be allowed to attend any school-related events or participate in any school-sponsored field trips. The student will need to focus on what needs to be done to correct his or her actions and to improve the behavior. If behavior does not improve, further disciplinary action will occur.

### **OUT OF SCHOOL SUSPENSION**

Short-term suspension from school may be for a period from one (1) to five (5) days or more and will be imposed by the Administration. Long-term suspension may be for an indefinite length of time and is imposed by the Administration according to the severity of the offense. In the event of a suspension, an immediate email notification will be sent to the parents informing them of the incident. Students who are suspended out-of-school must serve the suspension within 48 hours of receiving the take-home copy of the suspension assignment. A student who is suspended out-of-school for more than two (2) days must be accompanied by a parent/guardian upon his/her return and participate in a conference with the Administration and/or his/her designee.

Students on home suspension are counted absent from both class and campus. Students suspended out-of-school are not allowed to participate in any on or off campus extracurricular activities on the day(s) of suspension nor are suspended students allowed on campus for any reason/activity without administrative approval.

## **EXPULSION**

Any student who has been expelled or forced to withdraw from Central Private School will not be allowed to attend any Central Private School-sponsored event or activity.

## **CELL PHONE/SMART DEVICE POLICY**

**Cell phones/smart devices include, but are not limited to, mobile phones, tablets, iPods, laptops, smart watches, and any form of earbuds or earphones.**

**Middle School (6-8) students** are to immediately put their cell phones in the designated box as they arrive at school, and these will be stored in a locked area. Phones will be released when the school day is over. If students are caught with their cell phones during the day, they will be written up. Students are not permitted to wear a smartwatch.

**High School (9-12) students** are not allowed to use their cell phones/smart devices at any time during the school day. Phones and smart watches should not be seen, heard, or in use, and will be confiscated regardless of owner. All phones must be off and in a student's backpack for the entire day. If a student is caught with their cell phone/smart watch during a quiz/test, the student will automatically receive a zero for the assignment, regardless of the intent to cheat.

- Students may keep a cellular phone, turned off, in their bag or purses.
- The following will not be permitted in relation to cell phones/smart watches:
  - The phone/smart watch is seen during the school day - whether in use or not.
  - The phone/smartwatch is used to communicate during the school day.
  - The phone/smartwatch causes a class disruption.
  - The phone/smartwatch is on the student's person (i.e. in the pants or jacket pocket).
  - The phone/smartwatch will be confiscated, a fine will be charged based on the number of violations (\$25-\$50), and the student will be required to turn their phone into the front office for the next five days. \*Please note that the fine is due the next day to the front office. If it is not turned in, the student's FACTS account will be charged automatically.
  - On the third offense, the student will receive an immediate office referral for willful disobedience and Friday Detention.
  - Any subsequent offenses will result in suspension. (Please note that students who are suspended will only receive 50% credit for their work completed during their suspension and are no longer eligible for exemptions from final exams.)
  - The administration reserves the right to examine the contents of all confiscated cellular phones and other electronic devices.

## **COMPUTER/TECHNOLOGY VIOLATIONS**

All students are required to read and sign the school's technology use policy before using any Central Private School computer. Failure to abide by the technology use policy will result in loss of computer privileges and may result in other disciplinary measures.

## **PUBLIC DISPLAYS OF AFFECTION (PDA)**

Public displays of affection (PDA) of any kind are not permitted at school or at any time the student is involved in a school activity.

## **UNAUTHORIZED AREAS**

An unauthorized area is any location on campus where a student is present without permission or without the direct supervision of a teacher or administrator at any time during the day, including before/after school hours. Any student on campus after school hours will be directed to Aftercare.

## **VANDALISM/PROPERTY DAMAGE**

School buildings and equipment are expensive to construct, purchase, and maintain. Students who destroy or vandalize school property will be required to pay for losses or damages and may be reported to the appropriate law enforcement agencies. If students willfully destroy school property, suspension and subsequent expulsion may be necessary. If something should be damaged by accident, the damage should be reported to a teacher or administrator immediately.

## **GUM /CANDY/FOOD**

NO food, gum, drinks, cups or gallon jugs will be allowed during school hours. Students may only eat or drink during specified break/lunch times. Class projects/parties that require food items will be the only exception.

# Honor Clubs

## MEMBERSHIP BY INVITATION

### Junior and Senior Beta Clubs

Students enrolled in grades 6-8 with a cumulative grade point average of at least 3.2 and who meet the qualifications below are eligible to be considered for membership in the **National Junior Beta Club**.

Students enrolled in grades 9-12 with a cumulative grade point average of at least 3.2 and who meet the qualifications below are eligible to be considered for membership in the **National Beta Club**.

The qualifications for both club memberships on the part of the student shall be (a) worthy character; (b) good mentality; (c) creditable achievement; and (d) commendable attitude. Students who do not maintain a 3.2 GPA will be placed on probation for a semester and subject to dismissal thereafter. Community service hours are required of memberships.

### National Honor Society and National Junior Honor Society

The selection process for membership into the National Honor Society is as follows:

Juniors, seniors, and 2nd semester sophomores who have been enrolled at Central Private School for a minimum of one semester, and who have a minimum cumulative grade point average of 3.5 (on a 4.0 scale) for three (3) consecutive semesters will then be considered for membership by the sponsor on the basis of service, leadership, and character. Grade point average is a qualifier for NHS, but GPA alone does not insure invitation to membership.

- Each member must complete a minimum of twenty (20) service hours per semester. If he/she does not, the member is put on probation for one semester during which he/she must earn the deficit service hours or be subject to dismissal.
- Students who fall below the minimum GPA are placed on probation for one semester, during which time the student must achieve minimum GPA or be subject to dismissal. Students dismissed from NHS are not eligible to wear the NHS honor cord at graduation.

The selection process for membership into the National Junior Honor Society is as follows:

7th graders, 8th graders, and 2nd semester 6th graders who have been enrolled at Central Private School for a minimum of one semester, and who have a minimum cumulative grade point average of 3.5 (on a 4.0 scale) for three (3) consecutive semesters will then be considered for membership by the sponsor on the basis of service, leadership, and character. Grade point average is a qualifier for NHS, but GPA alone does not insure invitation to membership.

- Each member must complete a minimum of ten (10) service hours per semester. If he/she does not, the member is put on probation for one semester during which he/she must earn the deficit service hours or be subject to dismissal.
- Students who fall below the minimum GPA are placed on probation for one semester, during which time the student must achieve minimum GPA or be subject to dismissal.

## CLUB MEMBERSHIP

Each club sponsor is to have a **Google Classroom** section dedicated for the club they sponsor. They should have the classroom code displayed during club days so students who wish to join may officially do so.

## OFFICER ELECTION

Students may submit their names to be considered for a club office position of any club of which they are members in good standing. After eligibility has been determined by the club sponsor, a club officer election **Google Form** must be sent to members via **Google Classroom**. This will ensure elections are fair and well-documented in the event there are any disputes.

# School Dances

## DANCES

We believe that the majority of our students are cooperative and law abiding, and their behavior at school dances is appropriate and safe. However, for the small number of students and/or their dates who are intent on jeopardizing the well-being and safety of everyone else, it has become necessary to include the following guidelines:

- If a student's date does not attend Central Private School, contact information for that person must be given to the dance sponsor. If the date changes, the name and contact information must be changed with the dance sponsor no later than 3:00 P.M. on the day preceding the dance.
- In addition, students attending Homecoming/Prom must submit a signed Homecoming/Prom Contract for themselves and a signed Guest Registration Form for their dates by the deadline set for the Homecoming/Prom Committee, or they will not be admitted to Homecoming/Prom.
- Students who are under multi-day suspension from Central Private School and students who have been expelled or forced to withdraw from Central Private School may not attend school dances as anyone's date.
- Students must arrive at the dance no later than thirty (30) minutes after the beginning time of the dance or they will not be admitted.
- Once a student is admitted to the dance, he/she will NOT be allowed to exit until the appropriate time.
- Lewd dancing is prohibited.
- Illegal acts will be reported to law enforcement.
- All attendees, whether Central Private School students or non-Central Private School dates, are subject to the rules of conduct set forth in the Central Private School Student & Parent Handbook, particularly those of school dance behavior and dress, as well as the directives of the dance chaperones. Those who do not comply will be removed from the dance and subject to further disciplinary action.
- Students are responsible for the behavior of their dates and for informing them of the dress and behavior code for school-sponsored dances.
- Absolutely no alcohol, tobacco, electronic vaping devices or drugs of any nature are permitted at any Central Private School-sponsored dance. Any student OR date under suspicion of use or possession of prohibited substances will be removed from the dance, the parent(s)/guardian(s) will be contacted, and disciplinary action will result, in accordance with the Discipline Policy. The school reserves the right to determine admission/participation through the use of a Breathalyzer.

## DANCE DRESS CODE

## CARPOOL PROCEDURES

### [Carpool Map](#)

- Drop-off for all students begins at 7:00 AM. All cars will enter the Gurney campus on the limestone drive west of the existing residence. Follow the road to the end of the gym and form two lines alongside the gym. Drop-off will be at the Bus Canopy. Students will remain in the gym until 7:25 AM. They will be dismissed then to go to their locker and report to homeroom.
- Pick-up for all students begins at 2:45 PM. All cars will enter the Gurney campus on the limestone drive west of the existing residence. Follow the road to the end of the gym and form two lines alongside the gym. Pick-up will be at the Bus Canopy.
- Student drivers: After entering the campus on the limestone drive east of the existing residence, students will turn right into the student parking lot to park. All students must report directly to the gym in the morning if arriving before 7:25 AM. At dismissal, students should use the same driveway to exit.
- NOTE: Parents are NEVER to use the Faculty parking lot OR student parking lots for parking or drive-through to drop off or pick up students of any age, except for those who must use the handicapped reserved parking.
- NOTE: Drivers should only turn RIGHT into and out of the parking lot during drop-off and pick-up times.

### **Notes:**

- Students may NOT enter cars until the bell at 2:45 P.M. Any students waiting at the pick-up point early MUST stay on the covered sidewalk until the bell rings and the duty teachers are in place.
- Any MS or US student not picked up by 3:00 P.M. will be sent to the designated after school area.
- Parents are NEVER to use the Faculty parking lot OR student parking lots for parking or drive-through to drop off or pick up students of any age, except for those who must use the handicapped reserved parking.
- Students may ONLY be picked up from the pick-up point; students will NOT be released to go to a parking lot to be picked up (exception: a student riding with a student driver will be allowed to cross to the student parking lot with that driver). Parents are NOT allowed to remain in cars in the parking lot and expect students to be released by the duty teacher to report to the car without proper supervision. Please do not request teachers to release students this way; this is too dangerous.
- For obvious safety precautions, parents who pick up both Lower School and MS/US students must not allow the Lower School students to play outside of their vehicles while waiting for MS/US dismissal.
- Upper School students who drive are to exit the building(s) at 2:45 P.M. and go immediately to the student parking lot if they have no after-school extra-curricular activity.
- Upper School students who pick up Lower School students should drive to the Centerra campus to pick up younger students at the end of the Upper School day.
- ALL DRIVERS: "No Parking" signs along entrance streets help to eliminate traffic problems. Please abide by all parking rules and do not block traffic when loading/unloading students, whether Lower School, middle, or upper school.

Note to all drivers: In compliance with Louisiana law, cell phones in a school zone, which includes the carpool line, may only be used with a hands-free device.

## CHROMEBOOKS

Central Private School Strives to provide the technology tools necessary to succeed academically. Each Upper School student (grades 6-12) is issued a chromebook computer to be used in and out of school, and will return the device on a designated date at the end of the school year. To ensure consistent, responsible, and productive technology usage, Central Private School has developed a Chromebook Policy and Agreement contract which will be signed by all students and parents and can be found on the school website ([Parent Portal](#)). It is our expectation that students, parents, and faculty/staff abide by these rules.

Each student is issued a Central Private School Google account that provides access to Google email, Google classroom, and other Google applications. Google Classroom and other applications will be used in the student's classes, and communication with teachers should be done through the student's Google email, not their personal email.

Central Private School provides student WiFi access for chromebook use during school hours.

Middle and Upper School students requiring assistance with passwords and/or chromebooks should email their request to Help Desk at [helpdesk@centralprivateschool.org](mailto:helpdesk@centralprivateschool.org) with their name, grade level, and description.

## **LOCKERS**

- A locker is made available for each student in grades 6-12. Teachers keep locker assignments on file for their homeroom students. Students in grades 6-8 may not use locks on lockers. Lockers for students in 9-12 have locks and students will receive a combination code.
- Each student is responsible for keeping all belongings inside his/her assigned locker. NO rolling backpacks are allowed.
- Students should never enter another student's locker without permission from that individual.
- All lockers and desks are the property of Central Private School and their contents are subject to inspection by the administration at any time. Lockers should always be kept neat and free from trash or partially consumed food.

## **PARENT-TEACHER CONFERENCES**

In the event that any parent/guardian needs to contact a teacher or administrator, the parent may do so by:

- Emailing the individual (individual email addresses are available on the school website and on Family Portal)
- Calling the school office and leaving a message
- If a multi-teacher conference is requested, please schedule the conference through the school counselor
- The school counselor may attend conferences as needed

Because it is difficult for teachers to return phone calls during the school day, parents are encouraged to use email as the preferred method of communication. Conferences are scheduled during a teacher's planning period or before/after school.

For appointments with an administrator, please schedule through the main office (261-3341). Due to multiple meetings with new family applicants, current students, faculty, staff, etc., unscheduled visits are strongly discouraged.

## **STUDENT VEHICLES**

All student vehicles must be registered in the main office during the first two (2) weeks of school and the registration sticker visible at all times the vehicle is on campus. Students may lose their driving privileges for failing to have a parking permit. The cost of registering a vehicle is \$35.00.

Allowing students to drive vehicles to campus is a privilege extended by the school, not a right. Students are expected to drive responsibly not only on school property but also on the public roads in the vicinity of the school. Reckless and irresponsible driving reported to the school may result in a loss of driving privileges.

Rules for operation of a motor vehicle on campus are:

- Student drivers waive their right to vehicular privacy. School personnel may search student vehicles at any time.
- Parking tags must be hung from the rear view mirror and remain visible while the vehicle is on campus.
- The speed limit on campus is 20 MPH at ALL TIMES of the day or night.
- Parking is in designated student-parking areas ONLY.
- Parking spaces in the front and east parking lot are reserved for faculty, staff, and guests.
- Students are NOT allowed to use the faculty parking lots at any time.
- Students are to exit their vehicles immediately upon parking in their designated areas.
- At no time will a student be allowed to play a radio or other audio device in a parked vehicle.
- No student may return to his vehicle after the school day begins without a pass from the duty teacher or permission from office personnel or administration.
- There will be no loud music from vehicles while on campus.
- No vehicle is to be driven off the roadway. Vehicles in violation of this rule will be removed from campus.
- Weaving in and out of traffic is not allowed.
- Spinning tires or driving recklessly will result in a loss of driving privileges for a period to be determined by the Administration and/or his/her designee.
- Students may also be fined a monetary penalty, suspended, or expelled for repeated violations of vehicle rules and privileges.

## **VISITORS ON CAMPUS**

Visitors are required to sign in at the main office and receive a visitor's pass. This includes parents, room mothers, teacher helpers, alumni, and students from other schools.

## **WORK PERMITS**

Under Louisiana Law, ALL students under the age of 18 must obtain a work permit in order to seek employment, including summer

jobs. Students may obtain a work permit from the main office.

### **STUDENT SERVICE HOURS**

- Service Year is considered May 1 -April 30 of the following year.
- Upper School Students are required to earn at least 10 documented service hours from approved community organizations during each of the freshman through senior years of high school to fulfill graduation requirements.
- Students who fail to obtain the required 10 hours for the year will be required to complete the hours and will receive a penalty of 3 additional hours for the next year.

- Student Expectations outlined in the Student Handbook extend to all service hour volunteer opportunities.

## Section 3

### Standards for All Students

#### **ALCOHOL AND DRUG POLICY**

Central Private School (Central Private School) believes that one of the greatest obstacles to our students' fulfilling their God-given potential is illegal drug use or abuse of alcohol and other drugs. Educational efforts, counseling, and disciplinary action constitute the threefold approach that we use to confront this obstacle. As an educational institution, Central Private School provides a comprehensive no-use zero tolerance drug policy. As part of our holistic approach to education, faculty and staff received training in drug-use recognition and prevention. They also learn interdisciplinary methods for teaching about the physical, physiological, and relational effects of drug use.

Central Private School remains dedicated to the concept of a drug-free campus. Private vehicles on Central Private School property are included in this policy. Drug tests are conducted on a random selection basis, and any other time deemed appropriate by the administration of Central Private School, without prior announcement. A student subjects himself/herself to disciplinary action, including immediate dismissal, in the following situation(s):

- Possessing, using, or purchasing alcohol or other drugs or drug paraphernalia on campus or at a school-sanctioned event.
- Selling or otherwise distributing or intending to distribute alcohol or other drugs regardless of time or place.
- A positive identification of alcohol or other drug use

Central Private School may require drug testing of any individual who, in the professional opinion of the administration and/or faculty, exhibits behaviors consistent with use of alcohol or illegal drugs. Should a student have a positive drug test or return a test that has been adulterated, that student will be dismissed immediately from Central Private School. If a student admits to administration (including faculty) that he/she is using alcohol or drugs prior to being subjected to a drug screen, he/she will be required to take random drug tests, at the parents' expense, for the remainder of his/her Central Private School career. When a student admits use of drugs or alcohol, his/her parents will be consulted, and in most cases, the student will be screened and, if necessary, referred for treatment in the community at the parents' expense. Once a student has been referred for drug or alcohol treatment, he/she and his/her parents must continue the treatment process until released by the professional providing the services. If the student refuses or prematurely terminates treatment, he/she may be asked to withdraw from Central Private School.

#### **Legal Drugs:**

Any student taking a drug or medication, whether or not prescribed by a physician, which is known or advertised as possibly affecting or impairing judgment, coordination, or other senses, or which may adversely affect ability to perform school activities in a safe and productive manner, must notify school administration prior to beginning class. The school administration will determine if the student can remain on campus at that time. Any student violating this policy is subject to disciplinary action which may include immediate dismissal from Central Private School.

#### **Searches and Inspection:**

Central Private School may conduct searches and inspections of students and their personal effects, lockers, lunch boxes, purses, book bags, vehicles, etc., located on the Central Private School property at any time. The selection of a person or object for search requires no explanation from the administration as to why that person or object was selected. The purpose of such searches and inspection under this policy is to determine whether any person is in possession of alcohol, drugs, controlled substances, or other contraband items. Entry onto the Central Private School campus constitutes consent to such searches or inspections. When appropriate, any items discovered through such searches or inspections may be taken into custody and may be turned over to the proper law enforcement authorities.

#### **ANTI-BULLYING POLICY**

Bullying is defined as a pattern of one or more of the following behaviors:

- a. Gestures, including but not limited to obscene gestures and making faces;
- b. Written, electronic, or verbal communications, including but not limited to calling names, threatening harm, taunting, malicious teasing, or spreading untrue rumors;
- c. Physical acts, including but not limited to hitting, kicking, pushing, tripping, chokings, damaging personal property, or unauthorized use of personal property; and
- d. Repeatedly and purposefully shunning or excluding from activities.

Behavior defined as bullying is exhibited toward a student, more than once, by another student or group of students and occurs, or is received by, a student while on school property, at a school-sponsored or school-related function or activity, in any school bus or van, at any designated school bus stop, in any other school or private vehicle used to transport students to and from schools, or any school-sponsored activity or event.

Bullying must have the effect of physically harming a student, placing the student in reasonable fear of physical harm, damaging a student's property, placing the student in reasonable fear of damage to the student's property, placing the student in reasonable fear of damage to the student's property, or must be sufficiently severe, persistent and pervasive enough to either created an intimidating or threatening educational environment, have the effect of substantially interfering with a student's performance in school, or have the effect of substantially disrupting the orderly operation of the school.

### **Notice of Bullying Policy to Students and Parents**

Central Private School shall inform each student orally and in writing of the prohibition against the bullying of a student by another student, the nature and consequences of such actions, including the potential criminal consequences and loss of driver's license, and the proper process and procedure for reporting any incidents of bullying. A copy of the written notice shall also be delivered to each student's parent or legal guardian.

### **Reporting Incidents of Bullying**

Central Private School shall develop a procedure for the reporting of incidents of bullying using the bullying report form approved by BESE and available on the DOE website and the school website. The procedure shall include the following.

#### **1. Students and Parents**

- a. Any student who believes that he or she is or has been the victim of bullying, or any student or parent or legal guardian, who witnesses bullying or has good reason to believe bullying is taking place, may report the bullying to a school official.
- b. A student, or parent or guardian, may also report concerns regarding bullying to a teacher, counselor, other school employee, or to any parent chaperoning or supervising a school function or activity.
- c. Any report of bullying shall remain confidential.

#### **2. School Personnel and Chaperones.**

Any teacher, counselor, bus driver, or other school employee, whether full or part time, and any parent chaperoning or supervising a school function or activity, who witnesses or who learns of bullying of a student, shall report the incident to a school official. A verbal report shall be submitted by the school employee or parent on the same day as the school employee or parent witnessed or otherwise learned of the bullying incident, and a written report must be filed no later than two days thereafter.

#### **3. Retaliation.**

Retaliation against any person who reports bullying in good faith, who is thought to have reported bullying, who files a complaint, or who otherwise participates in an investigation or inquiry concerning allegations of bullying is prohibited conduct and subject to disciplinary action.

#### **4. False Reports.**

Making false reports about bullying to school officials is prohibited conduct and will result in disciplinary action.

### **COMPUTER/INTERNET/VIRTUAL LEARNING POLICY**

Central Private School's information technology resources, including Internet access, are provided for educational purposes. The school's network facilities are to be used in a responsible, efficient, ethical, and legal manner in accordance with the school's mission and purpose.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the school setting. Central Private School has taken available precautions to restrict access to inappropriate materials using CIPA compliant programs. However, on a global network it is impossible to control all material, and an industrious user may discover inappropriate information. Because the Internet contains an unregulated collection of resources, the school cannot guarantee the accuracy of the information or the appropriateness of any material that a student may encounter.

The smooth operation of the network is dependent upon the proper conduct of the users who must adhere to strict guidelines, rules, and regulations which are provided so that student users are aware of the responsibilities they are about to accept. In general, their responsibilities necessitate acceptable, ethical, and appropriate utilization of the electronic network resources.

Therefore, before using the school's on-line resources, each student and his/her parent/guardian shall sign the CP Handbook Acknowledgement Contract Form, agreeing to this policy. This agreement shall specify user obligations and responsibilities and shall indemnify the school for any damages. The parent/guardian shall agree not to hold the school responsible for materials acquired by the student on the system, for violations of copyright restrictions, users' mistakes or negligence, or any costs incurred by users.

### **Terms and Conditions**

Central Private School reserves the right to access any file or information communicated through or on its property.

Central Private School retains the right to monitor network activity in any manner it sees fit. The individual has no reasonable expectation of privacy.

Students using Central Private School's computers, Internet access, or using personal devices with Internet/email capability on campus during school hours in violation of school policy are expected to act in a manner consistent with the school's values. Communications on the Internet reflect on Central Private School and must not damage the school's reputation.

The use of any Central Private School computer which provides access to the Internet is a privilege which may be revoked by the school at any time for abusive or inappropriate conduct. Such conduct may include, but is not limited to, the placing of unlawful information on or through the computer or system, accessing another person's files or e-mail, and the use of obscene, abusive, or otherwise objectionable language or images in either public or private files or messages.

Central Private School provides individual student Google accounts for storage, e-mail, and Classroom purposes.

Deletion, examination, copying, or modification of files and/or data belonging to other users without their prior consent is prohibited.

Commercial software is placed on the computer for the use and convenience of students and staff. Any unlawful use such as the copying of copyrighted material without the express written permission of the owner or the proper license is prohibited.

The school does not warrant that the functions of the system will meet any specific requirements that a student may have, or that it will be error-free or uninterrupted; nor shall it be liable for any direct or indirect, incidental, or consequential damages (including lost data or information) sustained or incurred in connection with the use, operation, or inability to use the system. Central Private School specifically denies any responsibility for the accuracy of information obtained through electronic information resources.

### **Acceptable Use**

Acceptable use means that a student uses the Internet and other electronic information resources in an appropriate manner, abiding by the rules and regulations as described in this agreement. Students who “publish” on the Internet must abide by the approved publishing procedure, which includes informing and involving a content sponsoring teacher.

### **Unacceptable Network Use**

Transmission or intentional receipt of any inappropriate material or material in violation of city, state, or federal law is prohibited. This includes, but is not limited to: copyrighted material; threatening, bullying, harassing, or obscene material; posting/sending personal photos or videos which are inappropriate; material protected by trade secrets; commercial activities by for-profit institutions; use of product advertisement or political lobbying; the design or detailed information pertaining to explosive devices, criminal activities or terrorist acts; sexism or sexual harassment; pornography; gambling; illegal solicitation; racism; and inappropriate language. Illegal or inappropriate activities, including games, use of the network in any way that would disrupt network use by others, or activities of any kind that do not conform to the rules, regulations, and policies of Central Private School are forbidden.

Students are prohibited from using the school’s technology resources to share school-related files when the project, activity, or assignment is to be done independently. Using the computer to copy another person’s work or plagiarizing the work of another person and presenting it as the student’s own is a violation of school policies.

Vandalism is defined as any unauthorized, deliberate action or malicious attempt to harm which damages or disrupts a computing system (including the willful introduction of computer “viruses” or other disruptive/destructive programs), alters its normal performance, or causes it to malfunction. Intentional attempts to “crash” network systems or programs are punishable disciplinary offenses. Seeking or gaining unauthorized access to network resources or resources on the Internet or attempting to breach security mechanisms is strictly prohibited. Any engagement in computer and/or network vandalism constitutes unacceptable use and will subject the student to appropriate disciplinary action, including, but not limited to, loss of student’s technology privileges, suspension, expulsion, monetary restitution for damages, and/or criminal prosecution.

### **Consequences for Violation**

The use of electronic information resources is a privilege, not a right. Inappropriate use of these resources and/or violations of these rules may result in disciplinary action, including the loss of a student’s privileges to use the school’s information technology resources, possibility of suspension or expulsion, and/or referral to legal authorities. The Administration and/or his/her designee may limit, suspend, or revoke access to electronic resources at any time.

### **Social Networking Sites**

Central Private School does not provide access to social networking sites through school computers. Students and employees who use such sites on their personal computers are reminded that communications on the Internet reflect Central Private School and must not damage the school’s reputation. Students are encouraged to employ site-available limits on who is allowed to view personal information, photos, or videos, particularly any visual or written communication that identifies the student’s association with Central Private School in a negative or inappropriate manner.

For their own protection, students are also cautioned against revealing personal information such as home address, phone numbers, password, credit card numbers or social security number, etc., as well as the personal information of others.

Communications on the internet (including social media sites) and via email reflect on Central Private School and must not damage the school’s reputation. Students must maintain proper etiquette while using social media and any electronic device. Engagement in online social media such as but not limited to Facebook, Instagram, Snapchat, Tik Tok, GroupMe, etc., will result in disciplinary action if the content includes inappropriate music, photographs and/or morally inappropriate behavior. Regardless of your privacy settings, assume that all information you have shared on your social network is public information.

Anyone receiving financial aid for Central Private School tuition is not allowed to post on social media any verbiage that would reflect poorly on the school. If public knowledge through social websites or other means are obtained, financial aid can be reduced and/or eliminated from subjects.

### **Supervision and Monitoring**

The Administration, teachers, and supervising authorities monitor the use of information technology resources to help ensure that users are secure and in conformity with this policy. The administration reserves the right to examine, use and disclose any data found on the schools' information network in order to further the health, safety, discipline, or security of any student or other person, or to protect property. The administration may also use this information in disciplinary actions and will furnish evidence of crime to law enforcement.

### **Parent Use of Social Media**

Parents are asked to set a good example for students when accessing and using social media. Engagement in social media including but not limited to Facebook, Twitter, Instagram, GroupMe, etc., may result in disciplinary action and/or dismissal if the content of the student or parent's post includes defamatory comments regarding the school, the faculty or other students.

Parents or guardians should make complaints through official school channels rather than posting complaints on social networking sites. Parents and guardians are to immediately bring any social media policy violations or concerns to school officials. Responding in kind to negative communications through social media channels merely perpetuates divisiveness. School officials will not mediate social media issues between parents or students unless it directly affects the school.

The school considers the following examples to be inappropriate uses of social media sites (This list is non-exhaustive and intended to provide examples only):

- Making allegations about staff or students at Central Private School
- Making complaints about the school or staff at the school
- Making defamatory statements about the school or staff at the school
- Posting negative/offensive comments about specific students/staff at the school.

Once a post is brought to the attention of the Administration or his/her designee and meets one or more of the criteria set forth, the Administration will contact the originator. A request will be made to retract the statement. Refusal to do so will lead to appropriate measures being taken, up to and including dismissal from Central Private School.

### **OBLIGATION TO REPORT CHILD ABUSE/NEGLECT POLICY**

All Central Private staff have a legal obligation to report any acts of suspected abuse or neglect of children to the appropriate state agency. Central Private School will cooperate with any state official(s) conducting such an investigation.

### **STUDENT PREGNANCY POLICY**

Should pregnancy occur, every possible measure should be taken to encourage counseling, healthcare, continued education and direction to help each student make a mature decision.

The following guidelines must be adhered to:

- The school will work on an individual basis with any student who becomes pregnant, and with her family. Likewise, the school will work on an individual basis with any student who fathers a child, and with his family.
- School counseling will be directed to respect life.
- Neither the student mother nor the student father will be allowed to participate in extracurricular activities during the pregnancy.
- While all reasonable attempts will be made to ensure that the pregnant student and student father will continue her/his education during pregnancy and after the baby is born, the continuation of her/his education in Central Private School depends upon:
  - Developing an educational plan for online coursework during pregnancy.
  - The psychological well-being of the student.
  - The student's previous academic status in school.
  - Continued counseling of the student during pregnancy and after the birth.
  - The educational plan will be developed by the student, administrator, the student's parents/guardians, and the Central Private School administration.

## Section 4

### Standards for Health & Safety

#### ILLNESS POLICY

In order to keep our campus free from contagious illness or conditions, adhere to the following:

- A student must be fever, vomit and/or diarrhea free for a minimum of 24 hours before returning to school.
- A student who is diagnosed with a contagious illness or condition must be cleared by an official doctor's note to return to school.

#### LICE POLICY

Any student suspected to have head lice will be checked by Central Private School staff. If a student is deemed to have lice, it is mandatory that the student is to be immediately checked out from school to be treated. A physician's note must be sent to school stating that the student was treated for lice. Exception: If a student is treated by NitWits (a reputable company who treat head lice with a non-chemical alternative treatment), a confirmation form of this treatment may be sent to school instead of a physician's note.

#### MEDICATION POLICY

The administering of medication to students must be in compliance with the requirements of LA Rev. Statutes Ann. 17:436:1 and the policy established by the Louisiana Board of Elementary and Secondary Education (BESE). As used in this policy, the term medication must include all prescription and non-prescription drugs. The Administration and/or their designee may dispense approved drugs.

1. As a general principle, medication shall NOT be given at school unless the attending physician certifies that such medication cannot be administered before or after school hours.
2. Possible exceptions to the general principle:
  - a. Medications for asthmatic conditions
  - b. Medication for insect sting allergy
  - c. Anticonvulsant medications
  - d. Medications for behavioral disorders
  - e. Medications needed in extenuating circumstances. These will be assessed on an individual basis, for example chronic disorders (i.e. migraine headaches, arthritis, sickle cell anemia, travel with school functions that may last longer than the usual school day).
3. Antibiotics and other short-term medications, including non-prescription medication, shall not be given at school until the conditions outlined in #5 below are met.
